# ABOUT WALTER & HERBERT

All Walter & Herbert frames are carefully designed by our team in London, ensuring the perfect style and comfort. They are then made in our factory in Liverpool.

**MADE IN  
ENGLAND**

Walter & Herbert have been a family run business since 1946 and was named after Walter Conway and Herbert Thorn, the founders of Optoplast Manufacturing.

**HISTORY**

The Walter & Herbert collection is inspired by heritage shapes and colours that draw on our history with a modern twist.

**HERITAGE**

Every frame boasts striking colour combinations of the best globally sourced acetates.
