X-eyes LITE

INCREDIBLY LIGHTWEIGHT

ABOUT THE BRAND

X-EYES LITE 35

X-eyes Lite is a bright and colourful range of titanium and acetate eyewear.

With an incredibly thin and ‘lite’ feel, this collection offers a variety of modern and classic styles that promote a much thinner and more premium look than regular acetate.

The nose pads are comfortable silicone and the titanium material ensures maximum durability and lightness, as well as being hypoallergenic.
